SEDWICK FAMILY CEMETERY was relocated in the ROCKY HOLLOW CEMETERY from the banks of the North San Gabriel River, by the ARMY CORP OF Engineers, prior to the construction of the NORTH FORK DAM and the subsequent filling of LAKE GEORGETOWN.

The graves moved were:

Five SEDWICK Infants and
One Unknown Man

Other burials reported to be in the ROCKY HOLLOW CEMETERY area are:

Mrs. Chapman and two children were buried in the 1850s. Their graves remain unmarked but are known to be near that of the Confederate Soldier, William B. Tucker, 1810 - 1865, whose grave is the earliest marked in the Rocky Hollow Cemetery.

There were many families who buried their dead on their home places in this area as well as all over Texas. Graves known to exist near here are:

One ATKINSON Baby Girl buried across from Evangeline and Aubrey Daniell's house.

Two LOVE Babies in the field now belongong to Charles Jenkins (on the old Charley Conaway Place.

Ethel BARNES, b.1887 - d.1888, Little Girl, north-east of the old Barnes home - now known as the Dawson Place.

Three FOREHAND Babies buried on a hill just south of Jewel Wheeler's place near the old lane. Graves were on the Forehand Place which is now called the Jewel Wheeler Place. The location of the graves is on land now owned by Mr. and Mrs. Leo Cauffman.

Twin Babies are buried near the location of the old Chapman house (chimney still standing) which is located just north - east of the home of Fannie and Roscoe Teague, They are Chapman Babies.
